Authorization for the Administration of Medication by School, Child Care, and Youth Camp Personnel

In Connecticut schools, licensed Child Care Centers and Group Care Homes, licensed Family Care Homes, and licensed Youth Camps administering medications to children shall comply with all requirements regarding the Administration of Medications described in the State Statutes and Regulations. Parents/guardians requesting medication administration to their child shall provide the program with appropriate written authorization(s) and the medication before any medications are administered. Medications must be in the original container and labeled with child's name, name of medication, directions for medication's administration, and date of the prescription.
